

Success Story: Service Provider of Integrated Financial Solutions ISMS Implementation and ISO 27001 Certification

The Client

Our client ('Client') is a leading provider of integrated financial solutions that are changing the way companies manage data, pay employees, process transactions, and manage spending on key business purchases.

Business Motivators

Client wanted to clearly differentiate their security program and wanted to leverage ISO 27001 as a clear market differentiator. They also wanted to more easily manage risk to their business and gain clear metrics for their security program as a whole.

The Challenge

This particular client didn't have the internal staff time to dedicate to the ISMS effort, so they outsourced the entire process to Orange Parachute.

The Solution

Leveraging the Proven Process Package our Subject Matter Expertise, the client was able to:

- Clearly determine the Scope of their ISMS
- Implement a risk-based approach
- Operationalize their ISMS efficiently and effectively
- Achieve ISO 27001 certification

The Result

As a result of our products and services, the Client is now ISO 27001 certified. They continue to outsource the ISO 27001 Internal Audit process to Orange Parachute and have been a client for over 8 years now.
